

# Give-Back Grant Application

**Outreach Process Partners, Inc.** (OPP) was founded by professionals who enjoy working together and want to give back to the community. OPP has written into our by-laws the commitment to donate 5% of net profits to charity.

Any non-profit, 501(c) (3) organization qualifies however OPP does not give donations for political or religious causes. Preference is given to organizations that improve the local communities in which we live and work.

Typically, our grants range from \$250 to \$5,000. Grant awards may be less than the requested amount. OPP employee-requested donations up to \$250 do not require an application. Give-back grants up to \$5,000 require an application.

Applicants should be compatible with one or more of our give back priorities (listed below). Compatibility with more than one priority does not assure preference for consideration.

## Requests are assessed as to whether they
